The Maine Tour Connection
has business for you!

The Maine Tour Connection offers a unique opportunity to increase your group business, particularly during mid-week and shoulder seasons here in the Northeast. Our 2012 tour package development is in full swing and we need your rates as soon as possible. Not just your best wholesale group rates, but also a commitment to TMTC that you will provide us with your best services in 2012. With the varying economic factors we are all enduring, now is the time to work together. We are requesting all providers hold rates for 2012.

Multiple Reservations - TMTC needs your lowest rates to package and to sell competitive tour product for 2012 to wholesale tour operators. TMTC's value to your establishment can be multiple reservations at no direct cost to you. Include your brochure, menus, directions, and any other pertinent information to assist us in tour planning. Rates to TMTC must be at least 10% lower than your published tour operator rates.

Packaging Partners - If you were to tally the cost of tradeshow, travel, memberships etc., you would see that our competitive request for rates and comps is minimal. TMTC is an additional sales person for you at no direct cost. To be a packaging partner with The Maine Tour Connection does not cost you anything except your lowest rates. TMTC can sell dates according to your availability and calls you for status prior to making reservations.

Act Now! Fill out the appropriate form to be included in our tour planning & pricing database. Please read the agreement carefully and fill in ALL of the spaces accordingly. Your signature indicates that you have read thoroughly and will honor all pricing and comp policies as outlined. Rates must be in effect thru 12/30/12. We cannot enter you into our pricing program if you leave blanks and open ended prices on menus. Restaurants, be sure to customize a specific menu with per person inclusive prices and not generic banquet menus. Contact us if you have any questions.
